Good Morning John,

I am working with Jack Hwang and others on logistics for the Region 3 LUST Technical Workshop and I will facilitate travel assistance from NEIWPCC for you to attend the workshop. I will contact NEIWPCC to let them know that you intend to present at the workshop and will need travel assistance to attend.

At your earliest convenience, please contact NEIWPCC to submit your formal request. The request should include the title, location, and dates of the workshop, and your full contact information.

You may send your email request to Michele Piazza at: mpiazza@neiwpcc.org

Please plan to send your request to NEIWPCC well in advance of the workshop dates as NEIWPCC will not reimburse for travel expenses that are submitted after the travel is taken.

Please let me know if you have any questions.
